Re: **NOTICE OF ABANDONMENT**

This application became abandoned for failure to timely file corrected, formal drawings on or before March 15, 1999 as required by the Notice of Allowability mailed December 15, 1998. Accordingly, this application became abandoned on March 16, 1999.

The above-identified application was erroneously allowed to continue prosecution on the filing of the CPA on May 5, 1999, without a petition to revive the application. However, this does not negate the need for the filing of a petition to revive the above-identified application. As such, the above-identified application is abandoned.

The file is being forwarded to File Repository
